### FEATURES

- Efficient energy usage
- Provides ample heat for one litter
- No bulb changes over the DownFire's lifetime
- Lightweight for easy maneuvering in tight room layouts
- Integrates into any room control system
- Custom temperature curves available upon request

### SPECIFIC ADVANTAGES

- Larger heat footprint vs. lamps
- Low cost to own
- Hang from chains or secure to the wall
- 2-year warranty

### LAYERED DESIGN

- Powered by a Graphene heating panel
- Multiple interior layers of insulation
- Safe and easy handling
- Fully waterproof
- Downward projection of heat

### SPECIFICATIONS

FarrPro DownFire	Details
Size	20in x 8in
Weight	4 lbs.
Connection Types	15ft Bare leads
Input Voltage	120 VAC
Max Power Consumption	130W
Anchoring Options	Hang by chains, Wall-mounted arms
Heat Output	+30° F over ambient temp
